

## **Persistent Sys Ltd: Objective test instructions**

### **Points to note:**

1. CGPA can be entered if the pattern of marks is in CGPA
2. Once they start the test it may take some time to load the page. Ask them to be patient and wait for the page to load.
3. Once the test start there is a pop up which says "Resume a file" for help and other options, please ask the students to click on 'end tour'
4. Candidate logs in and enters Event PIN for Objective test and fills in the credentials and starts test. Once the objective test is complete, please submit.
5. **Please note that the candidate should use the correct email id, mobile number and date of birth for the test.**
